2016-2017 NEW MUSIC OPPORTUNITIES

This year your child can really get into their music by joining our newest programs, the Top Note Fiddlers, and the Top Note Chorus. If you are interested in one or both of these musical opportunities, please contact Top Note at 403-335-8563.

Top Note Fiddlers

This fiddle group is accepting children of all ages, from the beginner to the advanced fiddler.

As a team, we will explore the fiddle and have fun playing fiddle tunes, country classics, and Celtic Irish music.

If you do not own a fiddle, that is not at all a problem. Here at Top Note, we rent out fiddles for only \$20 per month.

All of the music that we will play is hand-arranged by the two directors of the fiddler group: Sarah-May Morton and Serenity Stuart.

Top Note Chorus

Come and join the Top Note Chorus.

This children's choir is open to those ages 10 - 14. There is no previous experience required.

Through this blossoming chorus we will explore proper singing techniques and learning about our voices while we sing a variety of different genres of music.

As well as have fun!

About the Directors

Sarah-May Morton is a recent graduate from Canadian Mennonite University in Winnipeg, Manitoba. She received her Bachelor of Music degree with a concentration in Education, and would love the opportunity to use it.

Sarah-May is a new teacher at Top Note in Didsbury, teaching violin, voice, beginner piano, and beginner guitar. She is also heavily involved with music at her home church, the Bergthal Mennonite Church.

Serenity Stuart has been an active member of the Calgary Fiddlers and the Bow Valley Fiddlers. She is currently attending the University of Lethbridge to earn her Bachelor of Music and Education degree.

With her fiddler experience, she will write and arrange most of our repertoire.
